ICP-ACC Agile Coaching (IC-Agile)

COURSE OVERVIEW

The ICP-ACC is the knowledge-based certifications on the Agile Coaching track. The certification focuses primarily on the mindset, roles, and responsibilities of an Agile Coach. After finishing the certification, the learner will be able to differentiate between and among mentoring, facilitating, professional coaching and teaching, and will also gain the skills needed to create a safe environment for meaningful collaboration and healthy conflict resolution within an agile team. This certification introduces participants to foundational team coaching skills and team development concepts for starting and growing teams while focusing on teams and organizations as human systems. A key part of this certification focuses on developing an understanding of the professional coaching skillset and the value of honing these skills to serve individuals on an agile team.

WHO WILL BENEFIT FROM THIS COURSE?
